

## VOCATIONAL STRUCTURED TRAINING IN MCH – A CALL FOR ACTION

**MOTHERS & BABIES ARE DYING – ONE DEATH EVERY 11 SECONDS (WHO,2019)  
DELAY IN PROVIDING URGENT CARE KILLS MANY -MOST ARE PREVENTABLE**

### **ROTARIANS ARE TAKING ACTION IN UNDERSERVED COUNTRIES LEVERAGING PARTNERSHIP AND STRATEGIC STRUCTURED TRAINING TO IMPROVE QUALITY OF CARE & REDUCE PREVENTABLE MATERNAL & NEWBORN DEATHS**

#### **Key Messages**

**CALMED VTT** programme incorporating structured training, based on technical (vocational) expertise of health care professionals is being delivered through Rotary Vocational Training Teams (VTT), piloted in India.

**CALMED** an evidence based, holistic ,value for money strategy had generated validated positive output improving quality of care through *capacity building, empowerment of communities, reduced delays , associated with reduction of childbirth related deaths*

**M.A.S.T. (Maternity Alliance for Structured Training)** has evolved as a platform for scaling up & wider implementation of CALMED Training in approved countries – it provides strategic support through a package of resources -training materials, volunteer trainers ,digital technology and partnership , adapted to the country cultural preferences ,needs and priorities.

**Joined-up (Rotary Family, Government ,WHO) in-country partnership and CALMED structured training could be a significant step forward to accelerate country specific action to Stop Mothers Dying!**
